FTP Instructions

Thank you for placing your order with PosterBox. To upload additional files or upload your file again please use our ftp server. If you require further assistance please call or email us.

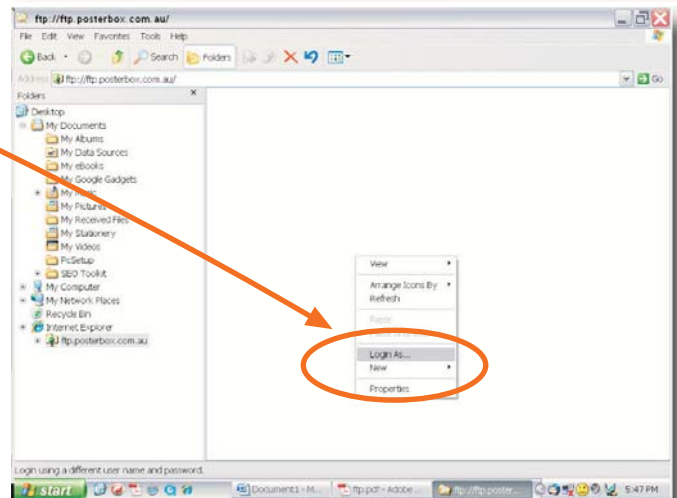

Windows

Using Explorer (not internet explorer) type **ftp.posterbox.com.au** in the explorer bar.

You may see an error message, click ok.

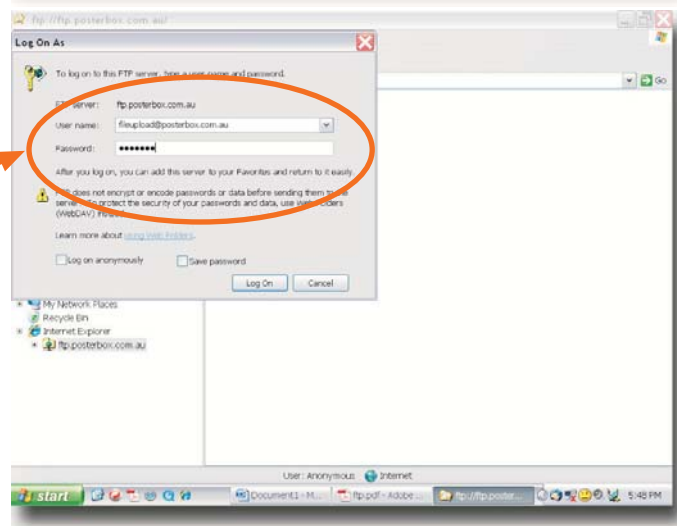

Click with your right mouse which will display a quick menu and click 'Login As'

Enter the Username and Password

Username: fileupload@posterbox.com.au
Password: boxhead

Then drag and drop your file onto the window and it will upload.

When the upload is complete please email orders@posterbox.com.au or call 0450 526 727. Please let us know the names of the file(s). PDF is our accepted file format.
