Poster Printing Media

Matt Paper

Matt Papers have a coating that produces great image quality with little glare. Matt posters are good for enhancing designs with a subtle layout and soft colour range.

- Bond 120gsm
- Matt 160gsm

Satin Paper

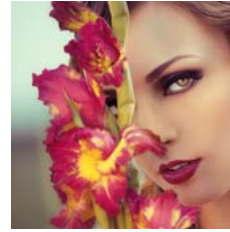

Satin coated paper is the 'middle' ground. A paper that offers your posters great colour reproduction with low glare. It has a lower gloss level than gloss finish, yet a higher gloss level than matte finish. Posters print sharp and vivid.

- SatinPhoto Paper 200gsm
- PhotoPlus Satin 260gsm

Self Adhesive

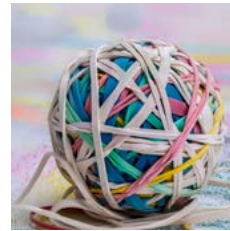

Promotional and sign adhesive posters at the right price. Easy to apply and remove, PosterBox's self adhesive vinyl delivers outstanding print quality with durability of up to 5 years outdoors.

Gloss Paper

Print your posters on Glossy Paper to create posters with shine and vivid colours. Gloss papers print with a large colour gamut, which means they look great! Perfect for full colour images and promotional posters.

- Gloss Photo Paper 200gsm
- PhotoPlus Gloss 260gsm

Synthetic Paper

Synthetic Paper. Prints high quality posters and is durable, versatile and tear-resistant. This range of media is an excellent choice for printing posters.

- Synthetic Matt Polyprop
- Synthetic Gloss Polyprop

PosterBox, discount online poster printing, the name says it all. Drawing on decades of experience in the large format print industry, PosterBox stands to deliver high quality digital posters fast! We use the latest in digital technology to give you the best quality poster printing, matched with some of the lowest prices in Australia.

We recognise the need to earn the respect & confidence from our customers, period, whether it's online or not. Here at PosterBox, we have focused our efforts on doing exactly that. All our prices are up front & easily accessible. No hidden costs, free shipping.

One of our promises to you is to despatch standard poster printing orders the same day with overnight delivery! Guaranteed. We want to tick all the boxes and give all our customers the complete package. Discount prices, quality service, quality poster printing and fast turnarounds. See our quality for yourself; we offer free sample packs of our printing media so you can see the high quality we produce day in day out.

***Same day poster printing for standard orders and free overnight delivery**

An order that we guarantee to despatch same day is called a **standard order** and meets all of these conditions:
Your poster printing file is less than 30 megabytes in size or the combined total of all your files is less than 30 megabytes
Quantity of posters is less than 15 A0, or less than 15 750 x 1000 or less than 20 A1 (600 x 900) or less than 30 A2 posters.
Your posters are not laminated - laminated posters require more time
Your order is completed by 1.00pm EST
